DEDICATION

The Yearbook Staff of 1984-85 would like to dedicate the "Liberty Christian Memento" to Mr. Bob Snyder, a man not only dear to the Seniors, but also the entire student body. He has proved to be a popular mentor and friend to those who take his classes.

Mr. Snyder not only teaches his students but is a real example as a Christian. Although his ambition was not to teach, he followed the will of God for his life. The enjoyment he appears to gain from "reaping the fruits of his labor" is carried on into the "Outdoors Club" and post school hours. Many times he makes free his valuable time to help his students who ask for his assistance.

Continually thinking of his students, he would like to see a gym come into being. Again, we can see he is dedicated to his school. He has a respect for student and staff alike.

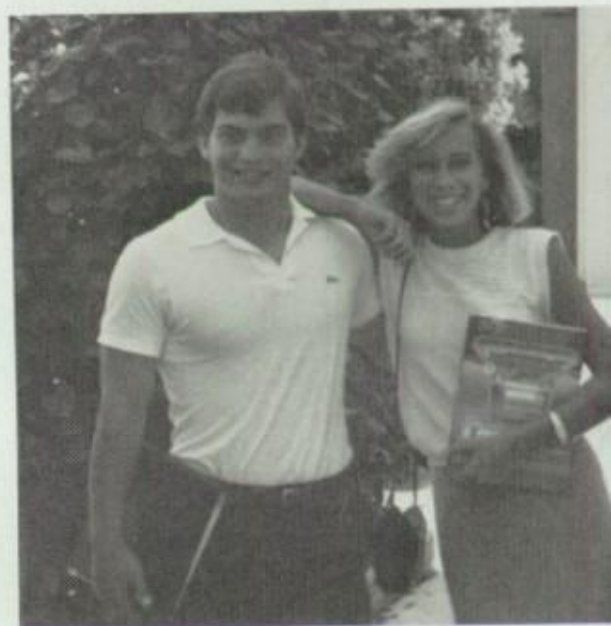

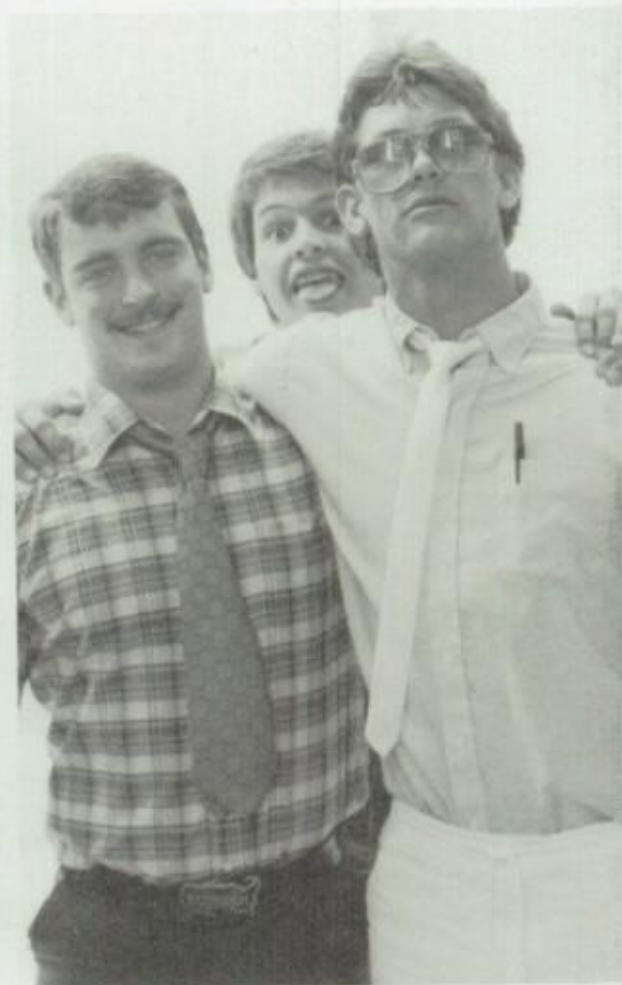

For being you, Mr. Snyder, a man of true value to those of whom you come in contact with, we dedicate the 1984-85 Yearbook.

BRANDON WHITNEY

Brandon, our AFSer from LCS this year, went to Peru. For two months he went to school; this in itself was a challenging experience. With his family he visited Lima, the capital, and Macchu Picchu; which is famous for the Inca ruins. His stay, he can truthfully say, was great. He found life different for a teenager. More than once a week he spent evenings with a group of his friends. Besides leaving Peru, his trip had few upsets. He did, however, find eating the intestines of a cow a little hard to swallow. For the time he was there, he lived in Piura. He lived with a family of five. He had one brother his age who visited the states over last Christmas.

Brandon realizes that America needs to open its eyes more because the United States knows nothing about other countries which are worthwhile. In years to come, AFS would like to have the United States know more about other countries as other countries know about us.

DONNA WILLIS

Sydney: Australia's leading lady.

Meanwhile an Australian came to California for a year. Donna comes from New South Wales and was a Senior this year at LCS. Donna's host family is the Wagenhals. In Australia she lives with her mum and dad, she is also the eldest of five girls. In her home here she lives with a family of four. Wendy is a freshman, Scotty is in kindergarten at Robinwood and Mrs. Wagenhals teaches here at LCS.

Donna is part of the Memento Staff and worked for the school paper. She enjoys the spirit within LCS, and has learned to enjoy pizza. In July she returns home for further study in college or university.

THE SPIRIT OF

HOMECOMING

SPIRIT WEEK An exciting time filled with School Spirit was had by all the week prior to Homecoming. The majority of students participated heightening the Spirit of the occasion. We had five themes featuring Tourist Day, Western Day, Movie Star Day, 60's Day, and Sports Day. Activities are always fun and this week was no exception. Grades participated as a group in the following activities: Balloon Toss, Popcorn-eating Contest, Mummy Wrap, and Spoon-mint Relay. It was no surprise when a tally of points was added and Seniors had come out on top.

From the heat and two-a-day practices of late summer, to the gentle warmth of late fall, the young men of Liberty Christian football surprised me, challenged me, and shared with me the greatest time of our lives. The growth and development of this season will be just the beginning of many great and successful seasons. The players have been such a blessing to me that I can never repay the personal debt I owe them. We worked hard and got 110% from each person involved, and that resulted in a successful season. We will miss our seniors— Bryan, Bill, Mike, Gerry, and Kevin— a great deal and they leave some big holes to be filled. However, with 18 returning lettermen and some outstanding prospects, we are setting higher goals for the 1985 football season. I would like to give a special word of thanks to my outstanding assistant coaches who were vital in our progress and success. Thanks again Steve Burkholder and Dave Posthuma.

JV VOLLEYBALL

This year's team was very young and inexperienced. Being as young as we were, we knew we would take our lumps now. However, we also knew that in the years to come we would return the favour. The team was led by All-League first teamer Ann Gonzalez, and second team All-Leaguer Donna Nikisch. We had the finest crop of underclassmen anywhere. At times we started 3 freshmen, two sophomores, and 1 senior. The team worked hard in practice, and with our motto, "Together Everyone Achieves More", we came together as one unit to end the season with two straight wins including a win over playoff-bound Leffingwell. We will return 8 varsity girls next year. With the five J.V. team and eighth grade class we have here at Liberty, we will be a team to be reckoned with in the years to come.

Top to Bottom: 5- Charlene Dobson; 7- Rebecca Floth; 11- Lisa Whitney, 2- Cathy Im; 10- Lisa Hoggatt; 6- Lesa Hugh; 1- Krista Dobson; 8- Kristen Hoggatt; 9- Desiree DeLano; 3- Sheri Woodard; Paula Long.

BASKETBALL

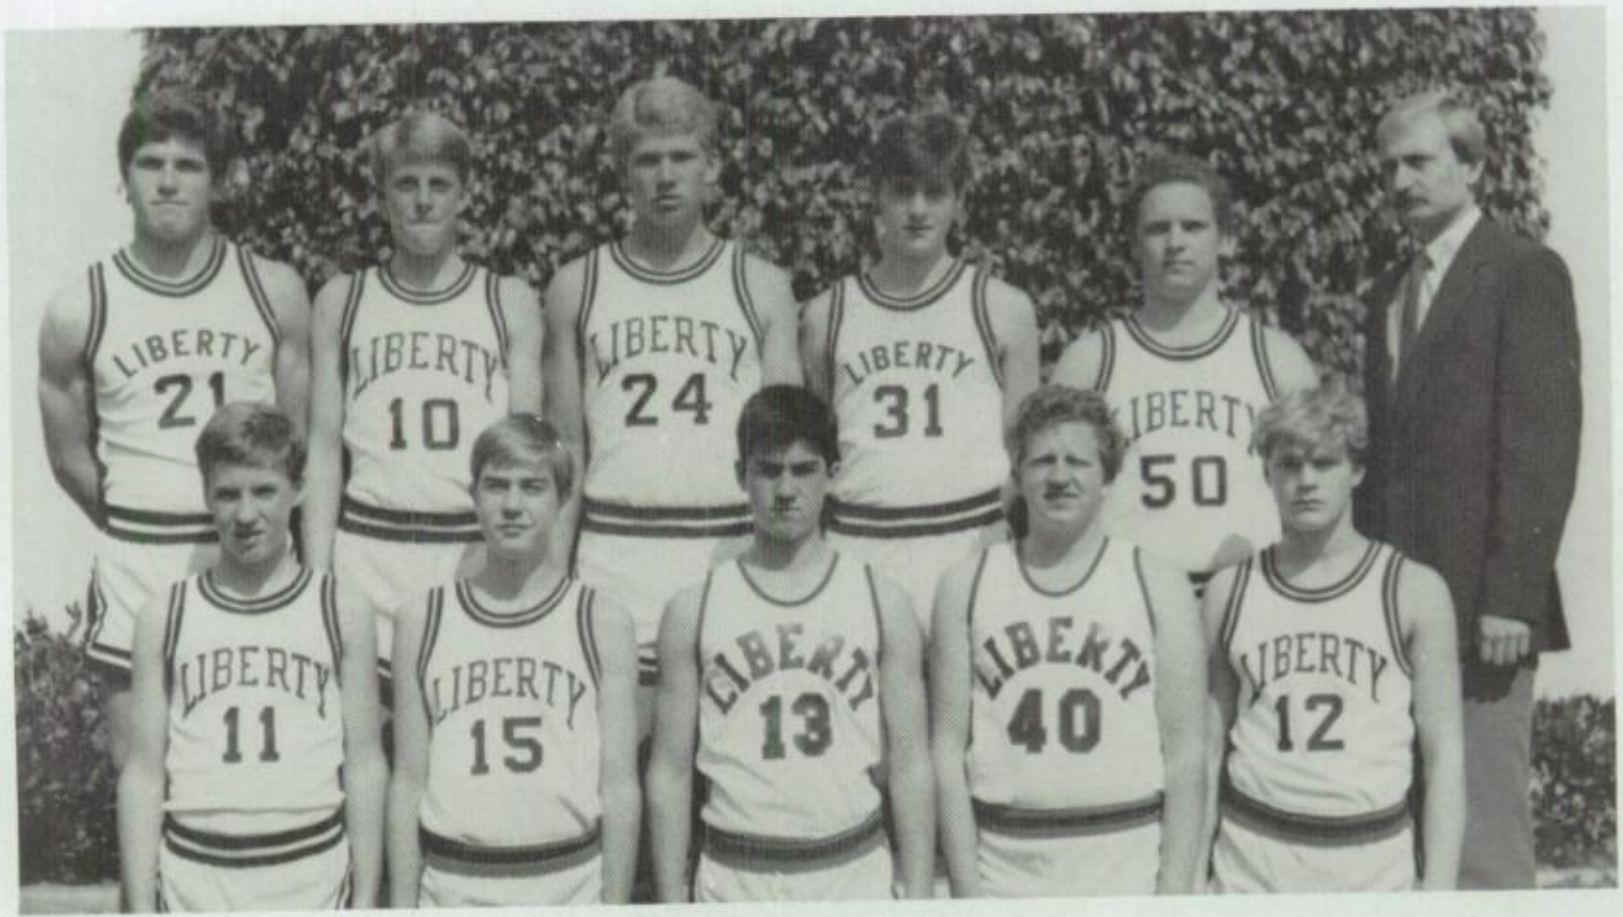

I really enjoyed working with the young men this past basketball season. The youth and talent was tremendous. It was long. It will be a long time before I will be able to forget the thrill of seeing Brandon in action against New York Christian. I remember watching a face bomb in those long outside jumpers, or Paul trying to explain to the boys how it was possible for them to have committed the foul. We enjoyed seeing the great improvement of Sam's and Gerry's playing, and watching Mike Wintersole or Bryan Henry dribble the ball, or how Greg's legs!!! Some experiences were sad but most were glad and those are the ones I'll never forget. Seniors, I will miss you all very much and I can't tell you enough how much you mean to me. I am really excited about the future and I feel the opportunities are all for us and none are against us. (Philippians 4:13) Sincerely, Coach Clifton.

BASKETBALL

This year's girl's Varsity team provided the school with many exciting moments such as the school record of 77 points which were scored in our second game. Among other things, we also took Melodyland into double over-time. Donna Niskisch scored 32 points against Leffingwell, and also pulled down 23 rebounds in the game against Pioneer Baptist. Our strong play was composed of three Seniors — Ann Gonzalez, Leslie McCormick, and Ronda Wilson. The excellent play of our underclassmen led by Kim Engstrom, Lisa Whitney, Deanne Hunting, Shannon Gaston and Donna Niskisch helped the ladies to achieve a 6-9 record. Even though our team was composed of novices, we played every opponent closely, losing 4 games by 3 points or less. We learned as we played, and grew together as the year progressed. Liberty should be strong in the years to come as we return six Varsity girls and eleven Junior Varsity girls, plus an outstanding crop of incoming Freshmen. By Coach Dave Clifton

TIME CAPSULE

The 1984 U.S. Olympics had a great spirit which carried itself into Liberty Christian. Even President Reagan helped to carry out this spirit by starting off his campaign at Mile Square Park.

School reconvened with the blazing heat and all we could think about was the beach. Most of us had already met the two new coaches at Liberty but for those who hadn't it was an interesting experience. Coach Ray Clifton was working hard with the football team while Coach Dave Clifton was hard at work with the volleyball team. Coach Clifton's boys had already picked up their "football" word, "thrugged". Both coaches managed to get the school fired up and ready for a new year.

We later find out that Miss Neighbors is hooked on Trivial Pursuit and nobody can drag her away from it. The Seniors Inform us that they want to go to Hawaii.

Meanwhile outside of Liberty, Princess Diana has had a baby boy.

The Seniors have their first Senior lunch and Brandon decides to take a group of people in his car. They didn't know that he was going to take a detour through a mailbox.

Miss Jason then attends a football game and decides that she wants to play too, she tries to catch the ball and in the process she sprains her wrist.

Seniors are still fund raising, now it's jewelry. They also did some volunteer work (imagine that?) at the Republican Headquarters. Of course they all took their hats off to Miss Neighbors!

Then comes the magazine sale and this year it's unicorns they give the teachers. Miss Neighbors decides to operate on hers during Calligraphy class. Naturally, our unicorn lover-Mike Wintersole is very upset with her. It was during this sale that Steve Sebelius went weepie crazy. He also learned how to snort like a pig.

It was on to Spirit Week- of course that's what we all had, spirit. The first day was Tourist Day; second- Western Day; third- Movie Character Day, it was on this day that Ann Gonzalez, student council president, said, "It's so funny! ... Fred Haney has a one-wheeled tricycle."; the fourth day was Sixties Day and for that we had a car cram in Mike Wintersole's car; finally- Sports Day. The whole week the Seniors sold pumpkin grams. The Seniors spirit was soaring that week and they won spirit week with the Freshmen coming in second.

Meanwhile, on the other side of the world, Indira Ghandi is assassinated.

The Junior and Senior High get to vote for Reagan/Bush or Mondale/Ferraro. The Seniors helped them to do this by setting up their own voting booth.

Meanwhile the United States sent their first woman to the electric chair.

The volleyball team wins their last two games. Finally, we play Newport for Homecoming and crown Michelle Smith queen.

Juniors have a Sadie-Hawkins picnic, water balloons, too! Seniors still want to go to Hawaii.

Mondale/Ferraro are beaten by Reagan/Bush (was there any doubt?). Baby Fay has a baboon heart transplant. After a good deal of ups and downs, Baby Fay dies. William Schraeder has an artificial heart transplant- he is only the second patient and he is doing well.

Miss Neighbors takes the Junior and Senior girls on a retreat- Forest Homes, here we come! We had a great time, remember the tree and cold cream, Kristen?

The Juniors have a Rock-a-Thon for a fund raiser. Seniors are fund raising by taking things to the swap meet, selling baked goods, and selling Santa grams. They still have not seen anything but white shoes on Chris Patterson.

Mr. Snyder's snake is at large and he offers a reward. The snake turns himself in hoping for the reward.

Mexico has an explosion. India has a poisonous gas leak which kills two thousand people.

Brandon's Peruvian brother, Mario, comes for a short three month visit.

Kim Breier gets a job at Contempo Casuals and quits after three days.

Merry Christmas! Miss Boegner FINALLY says, "Yes". Happy New Year!

San Francisco wins Superbowl and Mike Wintersole still owes Gerry Mothes eleven dollars.

School reconvenes and Bill Brown sells his "Little Red Express".

Brandon Whitney sprains both ankles during basketball season. We then sail to Avalon for two days of basketball games.

Ken Colby then decides to back his car into Greg James'.

Student council sponsors "Casual Dress Day" and Mr. Snyder decides not to brush his hair.

Finals (yuk, yuk, yuk!) good luck everyone.

Juniors decide to take Seniors to the Harlequin Dinner Theatre.

Seniors want to go to Mazatlan, on a cruise, to Lake Tahoe, oh somebody, HELP!

P.J., Steve Ogden, and Tom Cepek are off to Washington D.C. for the inaugural address. The three boys had an interesting experience- P.J. ended up getting sick and the parade was called off due to weather conditions, sorry guys!

Ken Colby is still walking around with his security spoon and Diane Brown comes to see Mr. Sass and his spoon collection at one fifteen every day.

Brian Wong decides it's time for him to get into a car accident, so on the way to Long Beach he rear-ends the car in front of him. What he didn't plan on though, was the girl suing him (Better luck next time, Brian!).

It's February and love is in the air so the Juniors host a Semi-Formal Valentine's Banquet. Kevin Billing is crowned "King of Hearts," and "Hot Lips Hutton" is in full swing. Hee Seok Ahn receives a singing telegram and Miss Boegner and Mr. Freck win the Newlywed Game.

The Seniors decide to cancel their Senior Banquet and go to Grad. Night at Disneyland. Seniors sell Valentine grams and Donna Willis' name gets changed to "Donner Blue".

February fifteenth is finally here and the Seniors are headed for the mountains. They are all staying in the Henry's cabin, wow, what a weekend! Has anyone ever seen Donna Willis get scared out of an afternoon nap? How about Gerry Mothes sleep with two peanut m and m's sticking out of his mouth? What about Mike Wintersole tickling Mr. Henry's nose with a flower while he was asleep? Boy, can Mr. Henry jump!!

Seniors go to family feud as a fund raiser!!

England's Prime Minister, Margaret Thatcher, comes to Washington D.C.

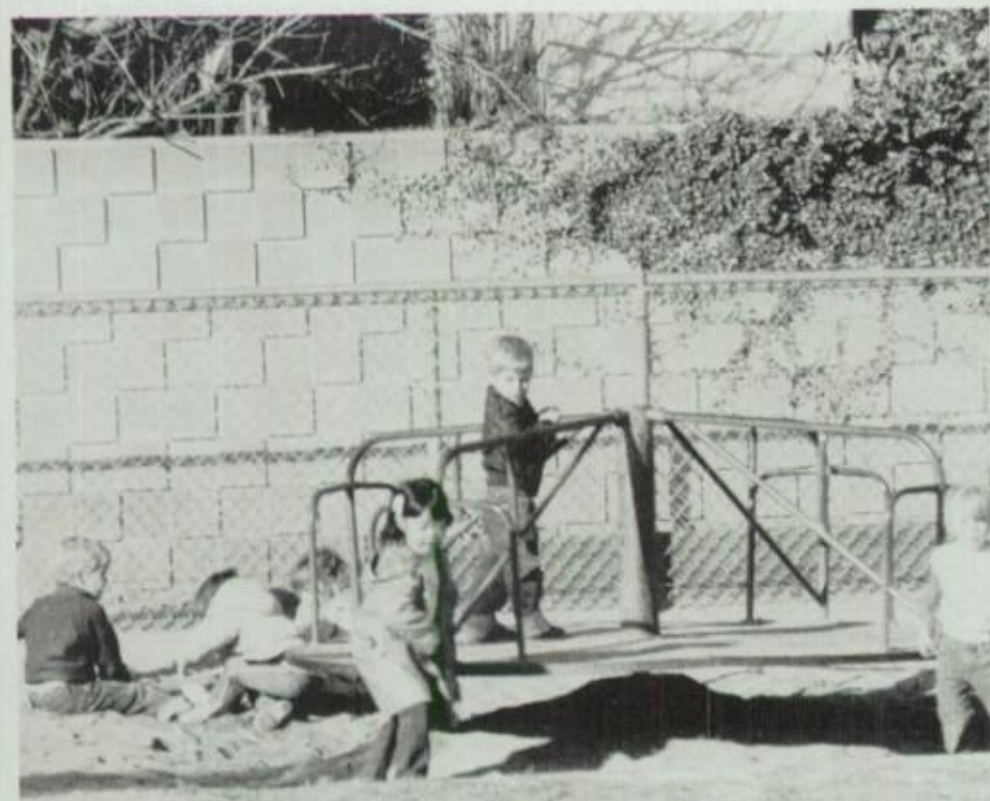

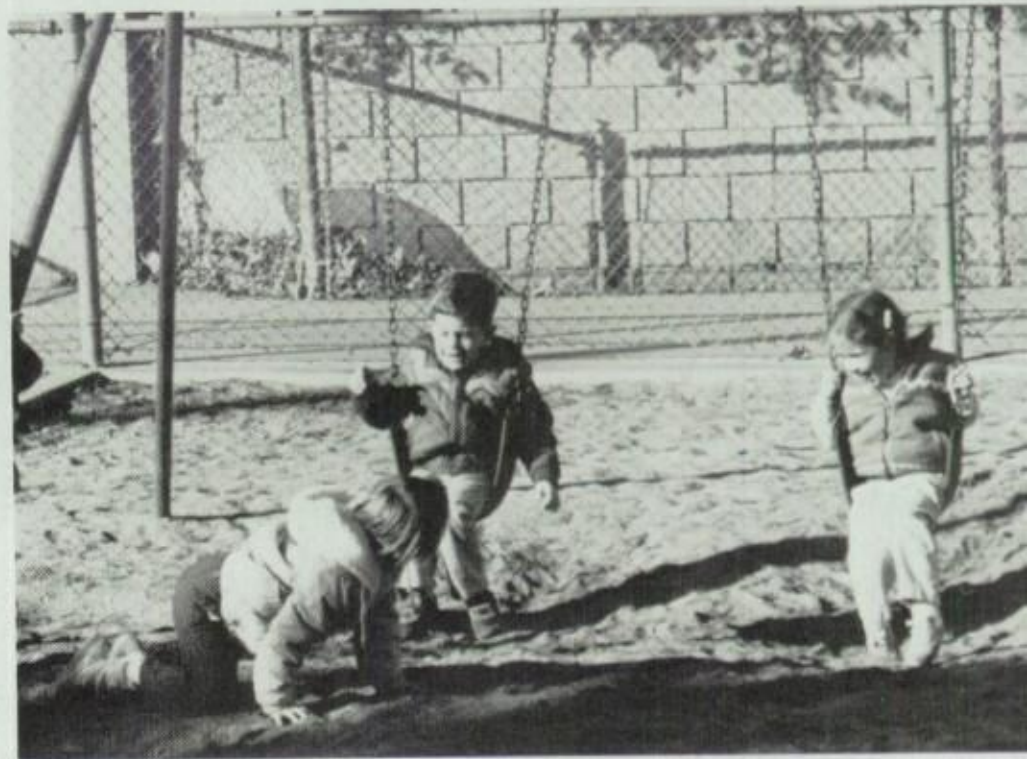

The Junior/Senior Banquet is a great success and the Juniors are pleased.

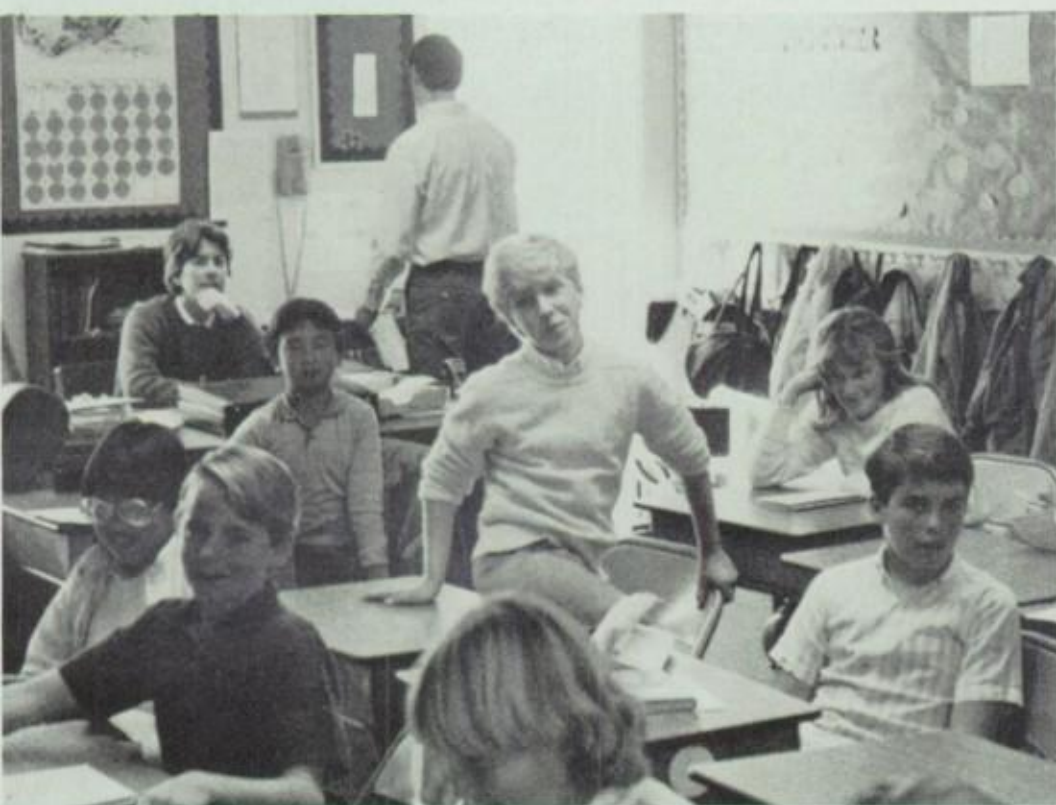

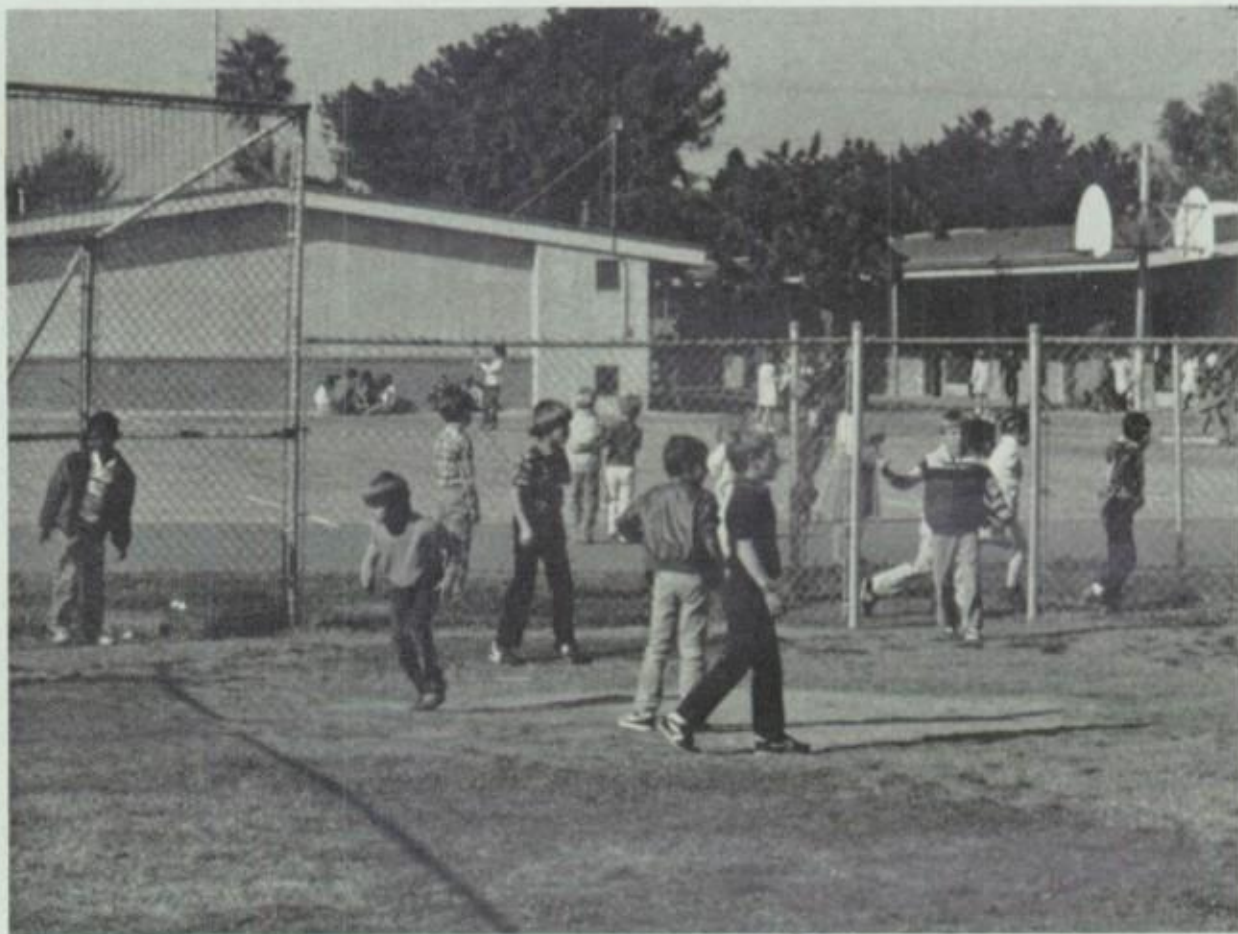

Miss Neighbors is still hooked on Trivial Pursuit and school ends with a great BANG!!!!

FUTURE SPIRIT . . .

Mrs. Whittington and Mrs. Huntting are cooks at the Robinwood Campus.
